Student Council

FOS student council elections took place earlier last week. Nominees were fully active engaging with their classmates explaining their aspirations for the student council. The selection process of the candidates counted these criteria which nominees have to demonstrate:

- ◆ To be friendly
- ◆ To be responsible
- ◆ To have good communication skills
- ◆ To be committed
- ◆ To be able to cooperate
- ◆ Have good behaviour

All candidates who put themselves forward for the elections done extremely well and should be proud of themselves regardless of the results. Congratulations to students who won the elections! Good luck to the new members of the student council!

Health Awareness

Kindly ensure you are doing routine checks for head lice on your child. If there seems to be a case where head lice is present the student will be sent home, and will only be allowed to return back to school when it has cleared, in order to prevent the spreading of infestation. We would appreciate parent support in checking your son/ daughter's hair every other week.

Parent Teacher Association (PTA)

Thank you to all parents and guardians who applied to be part of our PTA! Your interest is greatly appreciated. Chosen candidates will be contacted via email by our committee on Sunday November 3rd.

Tree Day at FOS

Tree day at FOS will take place on Sunday November 3rd! This is a wonderful opportunity for students to plant trees and understand the importance of taking care of our planet and environment. Please feel free to discuss the importance of this event with your child.

Non Uniform Day at FOS!

We are excited to announce that we will be hosting our first non-uniform day of the year! Our non-uniform day is scheduled for Thursday November 7th. Our non-uniform day will take place in order to raise money for charity, so we would like to kindly encourage our students to make a small donation on the day. A big well done to all Grade 9 students and Jena Musa from Grade 8 for designing the posters and planning the event! Please kindly ensure that all students are dressed appropriately.
